This letter is to advise you that Yelm Family Medicine will no longer accept the following insurances if you are **19 years and older or non-pregnant**:

**HCA (Health Care Authority-DSHS)**

**Washington Apple Health:**

- **Molina Healthcare**
- **Unitedhealth Care**
- **Community Health Plan**

Yelm Family Medicine will no longer accept the following insurances if you have been a patient less than **two years**:

- **Tricare (ALL plans)\***
- **Medicare**

\*unless it is secondary to another insurance that we are currently accepting for new patients

If you present any new HCA or Washington Apple Health insurance plans, are 19 years of age or older, and/or not pregnant, you will be advised to seek other healthcare within 30 days. If you have not yet been established two years and present with any Tricare plan that is not secondary to another plan that we are accepting for new patients, then you will be advised to seek other healthcare within 30 days. If the insurance is Medicare and you have not yet been established for two years, you have the option to choose our Medicare Advantage plans of choice, Premera Medicare Advantage PSW, UHC AARP Medicare Complete, OR Humana Medicare Advantage PSW. **Minors with any Washington Apple Health or HCA Plans that are currently established will have 30 days to seek another healthcare provider following their 19<sup>th</sup> birthday.**

I have read and understand the above policy.
