201 TAHOMA BLVD. S.E., SUITE 102 YELM, WA 98597
VOICE. 360.458.7761

March 12, 2024

I have been blessed with more than 25 years of working with patients in the Yelm and Thurston County area. After May 31st I will be stepping away from medicine and retiring. I wish to extend my thankfulness to the patients who have allowed me to work with them and provided me with many wonderful memories. The relationship with patients, many spanning over 20 years, has been a bountiful gift which has enriched my life.

The medical team at Yelm Family Medicine is growing and patients who have been assigned to me will be transitioned to Jordan Seto, MD and Sheridan Eckart-Budinich, DO for ongoing medical care. I anticipate that this transition will be seamless as I am very excited and impressed with the physicians who have joined Yelm Family Medicine Clinic.

Please contact the office if you have any questions about the transition of your medical care.

Gratefully,

A handwritten signature in black ink, appearing to read 'Monica Wilhelm', with a long horizontal flourish extending to the right.

Monica Wilhelm MD
